Subject: Dimock FINAL Action Memo Amendment Document for your signature

Jerry,

Here is what I consider the FINAL AM Amendment package for Dimock. This needs to be signed today, so that we can begin to process contract amendment documents to avoid any discontinuation of contract services to deliver water at this site. Please let me know if you have any further questions. Call me if you wish to go over the comments from HQ that I have addressed in the attached.

Rich
